Slots are on a first come, first serve basis! Slots are sold in 3 month terms. You may reserve your slot for up to 1 year. At the end of your term you have the option to renew your slot. Slot prices are for that term only and may change upon renewal.

There are no restrictions on advertising banners. They can animate and loop as many times as you would like. Please supply the banners using the above sizes in JPEG or GIF Format.

The forums are another great advertising tool that we provide! Advertisers may sign up for our forums and post ads for their products or services to gain feedback and exposure!

Our site is growing and improving constantly. We look forward to making you a part of the efitnessacademy.com network!
